Vol. 4 - B 1/93

Hi!

Grüß Euch!

Diese Liste ist eine Ergänzung zu meiner normalen Tauschliste. Hier drauf sind nur sehr rare Teile bzw. Teile von denen ich mich höchst ungern trenne. Ein Tausch kommt nur in Frage, falls ich eine sehr rares Teil oder etwas dafür bekomme, das ich schon unendlich lange suche. Das sind zum Beispiel einige (nicht alle) Sachen, die auf der Suchliste mit "*" markiert sind, sowie ein paar "Klassiker".

This list is a supplement to my normal tradelist. You find here records which are very rare or respectively records which I don't want to get rid off. Trade is only possible if I can get a very rare item or a record I have been looking for some thousand years. For example I could trade for some (not all) items marked with an "*" on my want list as well as some very "classic" stuff.
